

DIRT

Have you corrected any mistakes and/or responded to marking? Have you shown working out of a problem?

Are your numbers correctly formed and round the right way?

So you think you finished huh! Now go back and check the following...

Can you check that your answers are correct by using another method? Can you use the inverse, or a multiplication table or maths mat to help you?

Have you used a ruler when drawing any lines?

Have you clearly explained what you have done, would a stranger understand it?

Dedicated Improvement and Reflection Time.

Checked for success
