

DIRT

Can you check that your answers are correct by using another method? Can you use the inverse, or a multiplication table or maths mat to help you?

Dedicated Improvement and Reflection Time.

So you think you finished huh! Now go back and check the following...

Snoopy!

Have you used a ruler when drawing any lines?

Are your numbers correctly formed and round the right way?

Have you corrected any mistakes and/or responded to marking? Have you shown working out of a problem?

Have you clearly explained what you have done, would a stranger understand it?

Checked for success
